

GIFTED EDUCATION DAY

At the New Mexico Roundhouse

Go to Santa Fe and Join the Celebration!

Thursday, February 11, 2010

930 a.m. at the Capitol Building

Sponsored By: *State Representative Karen Giannini*
New Mexico Association for the Gifted
NMPED Gifted Advisory Committee
Albuquerque Association for Gifted and Talented Students

Students and parents are encouraged to attend the House of Representative Session to hear the announcement of Gifted Education Day. Come and show the legislators how many constituents are concerned about gifted education.

If you plan to go, please contact your State Representative to let them know you'll be there to thank them for their support for gifted education. To find contact information, go to <http://legis.state.nm.us/lcs/legislatorsearch>, click on House of Representatives, then click on "Search by Name, District or Zip Code." The easiest way is to put in your zip code, which will bring up the Representative's name. Click on the name to get the phone number and e-mail address. Put Gifted Education Day in the subject line.

See you at the Capitol in Santa Fe! Any questions email info@aagts.org.
