Manzano Mesa Multigenerational Center (501 Elizabeth SE)

Gifted Referral Process

Pam Sutcliffe, Albuquerque Public Schools District Liaison for Gifted Education, will make a brief presentation on the new APS gifted referral process and procedures and address questions from the audience afterward.

AAGTS will also present a summary of the 2009 legislative session concerning gifted issues.

Ms. Sutcliffe holds an M.S. in special education with emphasis in gifted and learning disabilities. Prior to working for APS she was the state consultant for the Public Education Department and taught gifted high school students.
